How the Church can help CAP

[Take up a collection for CAP](#)

This is one of the easiest ways for you to raise money for CAP.

[Hold a CAP Sunday](#)

Join hundreds of churches across the UK and celebrate CAP Sunday to highlight the life transforming work of CAP with dedicating your Sunday Church service to CAP.

Stages of what we do.

1. Home visits.
2. Create an effective budget.
3. Create a CAP Plan.
4. Manage the debt.
5. Debt free!

What we have been up to in the 1st 6 months of 2018

We have already helped 4 clients become debt free in 2018.

We have now completed our 2018 volunteer training. We have 6 new additions; 1 volunteer from Easton Methodist Church, 1 from Believe Portland, 1 from Dorchester Family Church, 1 from The Prayer House Chickerell, 1 from St Aldhelm's and 1 from St Francis

We are very excited to have our 1st CAP client as a volunteer!

At our client event in April we had 3 clients make commitments to Christ. Praise the Lord. We all enjoyed Fish and chips which were provided by the wonderful Broadway Men's Benefit group.
