Transforming lives

The Douglas Family have moved to their new flat 'up the hill' in Dhapakel. It was all a bit chaotic, but after some unusual methods of lifting furniture and 7 truckloads later they arrived safely and are settled in. They ask our Prayers for their new neighbours that they will be accepted and welcomed into their community.

funds to be raised for car parking, admission offices and a large VAT bill! On the 9th January the whole school took part in a sponsored 'walkathon' from the old site to the new to raise funds.

They are all doing well as a Family apart from the usual winter viruses that they do not escape from even in Nepal!!

Caleb, Charis and Esther all seem to be growing taller and are

They moved to be nearer to the new KISC site; the old school closed on the 9th February for the last time in Dhobighat and will be shut for 7 days whilst everything is relocated to the new building. Pray especially for Angus over the coming days as he is heading the final push for the school to be opened on the 21st February. There is a great team but it is a big task. Pray for wisdom, protection, patience and good communication.

taking their part in this exciting time for their school. Helen asks that we give thanks that she's been granted approval for her research project (this can sometimes take up to a year.)

Please continue to Pray for our Link Family and all of our BMS workers in Nepal that God will use them in sharing God's love.

AIM International

Sharing Jesus in Africa.

This has been a mammoth undertaking but is really just the culmination of hard work, vision and God's faithfulness over the last months and years. There is still much to be done; there are

We haven't received news yet this month from the Tjiwana Family in Rundu.

Pray that Zeka's time in California went well and that he is well into the next part of his programme and that Anita has been able to start her teacher training course at UNAM. Pray too for the children, Sally, Sarah, Jorma and Yochanan that they are continuing to enjoy school and are well and happy.

There seems so many opportunities for this Family there in Rundu and for all of AIM's workers to share God's love to our African brothers and sisters.
