

Prayer Bulletin/Newsletter

Weymouth Foodbank

Charity no. 1130511

Edition 1 – November 2018

PRAISE AND PRAYER

Praise God

- We thank God for the local schools that provided us with bumper harvest festival goodies which will be used for the benefit of families visiting the Food Bank.
- We thank God that one of our clients has made a commitment to the Lord.
- Praise God for our reliable and hard-working volunteer teams who not only hail from Weymouth Baptist Church, but also other churches in Weymouth and Portland.
- Praise God for the approximately 40 agencies who give out vouchers to clients: schools, drug & alcohol advisory offices, Soul Food, The Lantern, housing associations and others.
- Praise God that in the last ten months, 1,666 adults and 694 children have been served by the Food Bank. It can take courage to ask for help, and praise God they have.
- Praise God that we are able to stock the Food Bank from the constant flow of food and financial resources donated not only by other churches and supermarkets (food), but also ordinary members of the public.

Pray

- Please pray for the distribution of Christmas hampers. This is always a challenging exercise for us.
- Please pray that we continue to find opportunities to speak to clients about the Lord Jesus and to pray with those we discern would be open to receiving prayer.
- Please pray that even when we get busy with practical jobs, such as: receiving goods; counting them; dating them; storing them; filling carrier bags; offering refreshments and washing up, that we still find time to chat to clients, making them feel comfortable and welcome, never judged.
- Please pray that we continue to receive donations of food and finance so that we are always able to meet the needs of our clients.
- Please pray for our clients; we never pry or quiz them, and it is when they choose to open up that we appreciate why we must not to judge them. None of us really knows what's around the corner for each of us.
